Experiences

Full-stack developer at ACCENTURE company

From 11-2022 to **PRESENT**
In charge of the back-end and front-end of different system tools both for the client and for the company itself, with agile methodologies.

• Developer full-stack in the company LÖSEN (loesen.co)

From 04-2022 to 07-2022
In charge of making the front-end in the repositories like **logipartes.com.ar**, **fabricante.logipartes.com.ar** y **distribuidor.logipartes.com.ar** .

• ANNOUNCER IN RADIO CIUDAD (AM 1110)
ANNOUNCER OF THE PROGRAM CATALINA DLUG.

From 03-2018 to 03-2021
In charge of the official cultural agenda of the radio in the program and part of the production.

I love taking my natural predisposition to unknown limits. In that constant search is where I find the keys of the problems.

I live learning.
